ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized.

New Applicants

Application blanks and detailed instructions concerning admission procedures and regulations may be obtained from the offices outlined below:

Undergraduate Students – Office of the Dean of Admissions and Records.
Graduate Students – Office of the Dean of The Graduate School.
Adult Special Students – Office of the Director of The Division of Continuing Studies

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain application for readmission and other information from the Records Office or from the Office of Continuing Studies.

REGISTRATION PROCEDURES

At Memphis State University, the registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

(1) Consulting with faculty adviser
(2) Obtaining registration materials
(3) Securing class cards and paying fees
(4) Changing enrollment status
  (a) Change-of-course procedures
  (b) Withdrawal procedure
  (c) Change of college, major, or adviser
  (d) Change of name or address

1. Consulting with Faculty Adviser

To begin the registration process, all students must see their faculty adviser to obtain the "Student Schedule" form and secure the adviser's approval of their intended schedule. More specific instructions are as follows:

Current Students

Current students may obtain "Student Schedule" forms and consult with their advisers anytime during the term unless specific periods are established by the dean of the college.

New Students (Undergraduate)

Freshmen and permanent transfer students seeking degrees at MSU must

attend an orientation session in which information concerning assignment to advisers and the registration process will be given. See the Semester Calendar for dates and times.

New Students (Graduate)

New students in the Graduate School will be directed to a faculty adviser following their conference with the Dean of the Graduate School.

New Students (Evening Division)

New students enrolling in the Evening Division must attend the orientation session to be held in the Administration Building Auditorium. See the semester calendar for dates and times.

Readmitted Students.

Students readmitted to the University will report to those faculty members who advised them in the past. If a change in adviser is required, readmitted students should apply to the dean of the college in which they plan to enroll for assignment to an adviser.

2. Obtaining Registration Materials

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a green and white paper form entitled "Student Information Form," (2) a punched card entitled "Registration Appointment Card," (3) a punched card entitled "Student Fee Card," and (4) a permanent ID card. Registration materials may be obtained as follows:

Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled – with the exception of those students having outstanding financial obligations at the time registration materials are prepared.

New and Readmitted Students

New and readmitted students who have cleared all their admission requirements at the time registration materials are prepared will receive their materials by mail. Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

ID Card

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, AND SPECIAL STUDENTS.
New students will be given information on ID cards in their orientation sessions. Current students who have lost their card may obtain a replacement by paying the replacement fee of $10.00.

3. Securing Class Cards and Paying Fees

Students having their "Student Schedule" form approved, their permanent ID card made, and their registration materials are then prepared to enter the Registration Center to obtain class reservation cards and to pay fees. There are four important points to remember about this step in the registration process:

(1) Registration appointment times –Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority at Memphis State University is based on cumulative hours earned. For a complete statement of policy on registration priority, see Page 8.

(2) Schedule conflict–Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, and credit agree with what they requested. The change-of-course fee will apply to any class schedule revision.

(3) Maximum Load – The maximum course loads for students are as follows:
GRADUATE: Only full time graduate students may register for more than twelve semester hours. The maximum load for a full time graduate student is sixteen semester hours. A GRADUATE STUDENT EMPLOYED ON A FULL TIME BASIS MAY NOT ENROLL FOR MORE THAN TWO COURSES.

UNDERGRADUATE: The maximum course load for a student with less than a B average (3.00 average) is eighteen semester hours. A student with a B average may – with the permission of his college dean – register for a maximum of twenty-one semester hours.

(4) Payment of fees–Registration is not completed until fees are paid. Since there will be no deferment of fee payment, students should not enter the Registration Center unless they are prepared to pay fees. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship and Student Aid" table in the fee assessment line.

4. Changing Enrollment Status

Once the student has completed his initial enrollment, he may find it necessary

to change his enrollment status. Comments below outline those procedures to be followed in changing enrollment status:

Change Of Course

After a student's registration is complete, he may—within specified time limits—change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE FACULTY ADVISER. Time limits for add/drop are outlined in the semester calendar on Page 2. A fee of $3.00 will be assessed for each course which is added or dropped. NO CHANGE OF COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.

Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University official in person or in writing:

(1) Undergraduate students—Notify Dr. Jess Parrish, Dean of Students. (2) Evening Division Students—Notify Dr. Willaim Brotherton, Director of the Division of Continuing Studies. (3) Graduate Students—Notify Dr. John Richardson, Dean of The Graduate School.

Time limits for withdrawals are stated in the Semester Calendar.

Change of College, Major or Adviser

Undergraduate students may change college, major, or adviser by making application to the College in which they are currently enrolled. This change may be processed prior to registration or after the drop period has ended. Once a student has registered in a particular college, he may not change colleges until the drop period has ended.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to the Records Office in the Administration Building. Change of name may be processed only upon presentation of official court document showing the basis for the change. THE DOCUMENT IS NOT RETAINED BY THE RECORDS OFFICE. Changes of address made anytime after May 1, 1969 will not become effective until the following term. Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at the new address.

GRADE REPORTS

A mid-term deficiency report is sent out to all undergraduate students whose performance in a course is "D" or "F" at mid-semester. Students whose

performance is not deficient will not receive a report. In some cases, the deficiency report may be processed after a student has formally withdrawn from the University. A STUDENT WHO HAS FORMALLY WITHDRAWN AND RECEIVES A DEFICIENCY REPORT MAY DISREGARD THIS REPORT.

A grade report showing the grade received, credit hours earned, and quality points earned will be mailed to each student at the end of the semester. Also shown on the grade report will be hours attempted, hours earned, quality points earned, and grade point average. The reports will be mailed to the permanent address.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADES EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY PHONE.

SCHEDULE OF FINAL EXAMINATIONS

Final examinations for the Fall Semester will begin on Friday, January 17, 1969. Each examination is two hours in length and attendance is compulsory. Absence from a final examination without the permission of the instructor incurs the mark of "F." Examinations will be given according to the following schedule.

ACADEMIC PROBATION

Academic probation regulations for the 1968-69 year are given in the Student Handbook. Students should consult this publication for a precise statement of guidelines concerning requirements for maintaining good standing and attendance at Memphis State.

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000-1999	Courses primarily for freshmen
2000-2999	Courses primarily for sophomores
3000-3999	Courses primarily for juniors
4000-4999	Courses primarily for seniors
6000-9000	Courses open ONLY to those students fully admitted to the Graduate School.

REGISTRATION PRIORITY

Since it is impossible to register all students of the University at the same time, it is obviously necessary to establish some priority in the assignment of registration times. At Memphis State University, registration priority, and the registration appointment time appearing on registration materials, is based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. The policy also has a pragmatic base since no other criterion of assignment seems to be as equitable and as easily administered.

It is recognized that a large number of students work. In fact, the majority of University students hold jobs either on or off campus. However, registration priority, and associated registration appointment times, cannot be based on the need to work precisely because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system based on the criterion of a student having to work.

In the fall and spring, registration materials must be prepared before the end of these terms. Therefore, appointment times for the spring and summer terms must be based on cumulative hours earned at the beginning of the fall and spring terms rather than at the end.

Although the University is desirous of assisting summer transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their program in the summer. Summer transient students will therefore be awarded registration appointments on the same basis as a beginning student.
